This is to certify that

Mr. Carsten Bojahr

Date of Birth: 06th of July, 1966

has successfully completed a training course

from 27th until 28th of March, 2006 at Hamburg

and has been found duly qualified to serve as

Company Security Officer and Ship Security Officer

The aim of the course is to provide detailed knowledge, understanding and proficiency to perform the duties and responsibilities of a Company and Ship Security Officer, as defined in sections A/2.1.7, A/2.1.6, A/12.2, A/11.2, B/13.1 and B/13.2 of the International Ship and Port Facility Security Code. The course complies with the requirements of the IMO Model Courses 3.19 and 3.20.

The participant has demonstrated the competence to:

- 1 Develop, maintain and supervise the implementation of a Ship Security Plan;
- 2 Assess security risk, threat and vulnerability;
- 3 Undertake regular inspections of the ship to ensure appropriate security measures are implemented and maintained;
- 4 Undertake periodic inspections of the ships for which he is designated as the Company Security Officer to ensure appropriate security measures are implemented and maintained;
- 5 Ensure that security equipment and systems, if any, are properly operated, tested and calibrated; and
- 6 Encourage security awareness and vigilance.
